

Moss & Timber Cabins

Brand Guidelines 2026

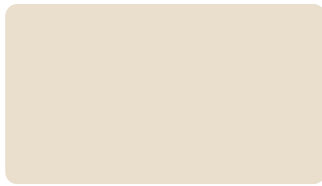

These guidelines keep every guest touchpoint feeling like the forest: quiet, warm, unhurried.

Our colour palette

Moss is our primary colour and leads every layout. Sand is the ground we build on. Clay is used sparingly for calls to action. Ember is a seasonal accent for winter campaigns only.

Moss
HEX 2C3B2A
RGB 44 59 42
CMYK 25 0 29 77

Sand
HEX: e9dfcc
R233 G223 B204

Clay
Hex code B5623B

Ember
(seasonal)

Typography

Headlines are set in Playfair Display SemiBold. Body copy is set in Lato Regular at 16px.
